

Building Trust With Quality...

## ABOUT US

We take great privilege in introducing ourselves as an emerging concern in the field of **STONE & MINERALS. RENUKA INDUSTRIES** as a business organization had its origin 5 years ago with its head quarters in Udaipur (Rajasthan) INDIA.

We deem it our pride to express that our founder of **Mr. Suresh Agarwal & Mr. Pintu Agarwal** are the founder of **RENUKA INDUSTRIES**. They are in the field of Stone & Minerals since 1999. We have our own mines in various part of Rajasthan where we are extracting & processing the raw materials for minerals and we are having are own processing plant for natural stone at Southern India & Northern India.

**RENUKA INDUSTRIES** one of the well - recognized manufactures and exporters of Industrial Minerals & Dimensional Stones.

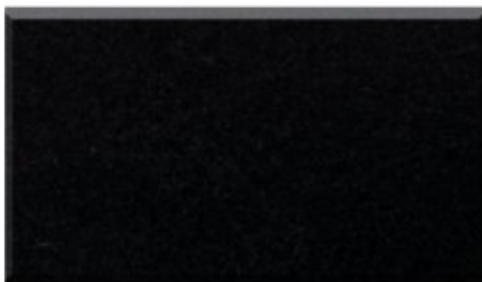

We regularly export to **GULF COUNTRIES, FAR EAST, AFRICA & EUROPEAN COUNTRIES**. Our pledge in our business deal starts with aim to achieve client's satisfaction in every respect right from quality of product to on-time delivery in full. We continue inspiring ourselves for improving our perfectness. Our manpower both located at our works and Administrative office are trained on a regular basis to absolute stiff competition in the industry. We consider our employees to be our asset.

Business Type : Manufacturer / Exporters / Wholesale Suppliers.
